

SERVICES AT CHANDLER AZ

1230 S Akimel Ln, Chandler, AZ 85226

Below is a list of services we offer at our Chandler AZ store.

Velocity Truck Centers strives to be your service leader and provide proficiency for all your service needs. We will work on all makes/models medium and heavy duty vehicles. We offer warranty, maintenance, and overhaul on all Detroit, Cummins, and CAT engine work. We support the following OEM Brands: Freightliner, Western Star, FCCC (motorhome), Spartan, Autocar, CraneCarrier, and Step-Van. We are authorized locations for work on Detroit, Meritor, Dana, Hendrickson axles as well as Eaton, Allison, Detroit transmissions. We have ASE certified and factory trained technicians to help minimize your downtime and make needed repairs. We work on the following engines:

Detroit Engines:

Series 60, DD5, DD8, DD13, DD15, DD16
(EPA 07, EPA 10, GHG14, GHG17)

Mercedes Engines:

MBE 900, MBE 4000

Cummins Engines:
